SHELLEY GUPTA '03

The 2010 Bayview Glen Distinguished Alumnus Award is presented to Awesome Music/EMI Canada recording artist Shelley Gupta '03. Through this award, the Bayview Glen Alumni Association acknowledges Shelley's musical talent and passion for community service.

Shelley's natural ability and desire to sing has shaped her career as a stage performer. She has been performing since the age of eight, and has appeared on television venues as varied as the Rita McNeil Show and Canadian Idol. Earlier this year, Shelley released her first major recording label single "Crazy For You".

Involved in a wide variety of charitable causes, Shelley has headed up countless events to raise

money to build schools in Kenya through Rotaract, a Rotary-sponsored service club for youth, and has participated in a televised fundraiser for Asian tsunami relief.

Shelley holds an undergraduate degree in business administration from the University of Toronto, where she excelled in her studies and was recognized by the Golden Key International Honour Society. She also holds a certificate from the Investment Funds Institute of Canada, and has managerial, marketing and sales experience in both the banking and hospitality sectors. But mostly importantly, Shelley received her secondary school diploma from Bayview Glen, where she contributed heavily to the school's social and academic life.
