The 2013 Bayview Glen Distinguished Alumnus Award is presented to Dr. Vinay Bhide, Class of 1993. Through this award, the Bayview Glen Alumni Association acknowledges the passion, dedication and knowledge Dr. Bhide brings to his profession.

Today, Dr. Bhide is a board certified periodontist, educator, and international lecturer. Back in 1980, he was an excited six-year old, whose father drove him to Bayview Glen for his first day in Grade 1. He remained a Bayview Glen student until he graduated from Grade 13.

“Looking back, something I really value about my education at Bayview Glen was the emphasis on being well-rounded,” says Dr. Bhide. “When I graduated, I felt I had been prepared with skills that could take me anywhere in the world.”

Dr. Bhide chose to enroll at McMaster University upon graduating from Bayview Glen, and he earned a Bachelor of Arts and Science (Hons.) degree there. By third year of his undergraduate degree, he knew that he wanted to work in the health sciences, and decided to become a dentist.

He earned his DDS from the University of Toronto in 2001, and subsequently completed a one-year internship at Mount Sinai Hospital in Toronto.

Dr. Bhide completed his Master of Science and specialty training in Periodontology at the University of Toronto in 2005. Dr. Vinay Bhide is a Fellow and Examiner of the Royal College of Dentists of Canada and Diplomate of the American Board of Periodontology, and is a member of the International Team for Implantology (ITI). He is also involved in didactic and clinical teaching of periodontics at both undergraduate and post-graduate levels and holds the rank of Assistant Professor at the Faculty of Dentistry, University of Toronto. One of the things he most enjoys is lecturing both nationally and internationally.

Along the way, Dr. Bhide met and married his wife, Sherry, and they have two young daughters, both of whom attend Bayview Glen. “It is so nice to come full circle, and be back at Bayview Glen as a parent this time,” he says. Bayview Glen School is proud to present Dr. Vinay Bhide, Class of 1993, with the Distinguished Alumnus Award 2013.
