

February 3, 2021

Dear Parents,

As per the most recent announcement from the Minister of Education and Toronto Public Health, the students will return to campus on February 16, 2021.

Since the students were last on campus, a number of directives have been issued by Toronto Public Health.

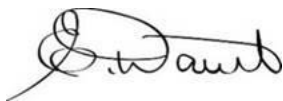

- Medical masks must be worn by all faculty and staff
- Proof of daily screening is required from all students in Grades 9 to 12
- Masks are now also required outside when social distancing is not possible

Please find attached a letter from the Ministry of Education and also one to follow from your respective Assistant Head of School Mr. Denison, Ms. Astella, or Mr. Federico outlining the protocols in the individual school.

You will be glad to know that throughout this time, our Preschool continued to operate safely, and we look forward to a similar story from the rest of the school once they return. We are really looking forward to seeing the students again on campus.

As always, we rely on all of you to ensure the safety of all our students by being vigilant following the protocols and staying safe.

Kindest regards,

Eileen Daunt
Head of School
