Dear Parents,

As March Break approaches and in light of recent reports of the spreads of the coronavirus and how quickly the situation can change, we are asking our families to act with extreme caution. As global hotspots continue to emerge, its difficult to isolate any one region right now.

Please check the attached links for the most current updates.

Please notify the school of your travel plans and include the following information.

Date of Return to Canada:  
Child/Children's Names:

Thank you for all your support in helping to deal with this situation over the course of this term especially those who self-identified and observed the two-week quarantine request.

In terms of communicable diseases, all schools are governed by Toronto Public Health. We will continue to send updates as we receive them.

Thank you in advance and have a wonderful March Break.

Sincerely,
