

UPDATE: School Re-opening Plan

August 19, 2020

Dear Parents,

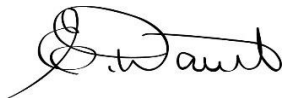

Thank you for your response and support for our School Re-opening Plan. This is a living document that is subject to change as more information becomes available. Regular updates will be provided.

Some points for clarification:

- Masks are mandatory for Grades 4 to 12 and must be worn in class and when physical distancing is not possible.
- All students now in SK to Grade 3 will also be required to wear masks indoors. During their time outside, they will have breaks from wearing their masks.
- When choosing a mask, choose one that is comfortable, well fitted and meets the safety standards. Please refer to our School Re-Opening Plan for the link from [Toronto Public Health](#).

Don't forget to complete your [Commitment to Daily Screening](#) form available on-line or by clicking the hyperlink.

Sincerely,

Eileen Daunt
Head of School
