

BAYVIEW GLEN

Distinguished Alumni Award

The 2022 Bayview Glen
Distinguished Alumni Award
is presented to:

DR. GEORGE FOUSSIAS '93

The 2022 Bayview Glen Distinguished Alumni Award is presented to Dr. George Foussias '93. Through this award, the Bayview Glen Alumni Association honours and acknowledges Dr. Foussias' success and passion in his chosen field.

Dr. George Foussias graduated from Bayview Glen in 1993 and works in the mental health field. He attended Dalhousie University's Faculty of Medicine and graduated in 2004.

Dr. Foussias is a Clinician Scientist in the Campbell Family Mental Health Research Institute, Chief of the Schizophrenia Division and Director of the Slight Family Centre for Youth in Transition at CAMH. He is also an Associate Professor in the Department of Psychiatry and the

Institute of Medical Science, Faculty of Medicine, at the University of Toronto.

Dr. Foussias' research focusses on advancing our understanding and treatment of motivational deficits, and related negative symptoms, seen in severe mental illness. Ultimately, the goal of Dr. Foussias' research is to guide the development of more effective treatments for motivational deficits, which stand as an important barrier to functional recovery in severe mental illnesses.
