MESSAGE FROM THE

Head of School

Dear Students and Parents,

A heartfelt warm greeting to our beloved Bayview Glen school community and sincere welcome to our new families.

It is with great excitement and anticipation,

as I look forward to meeting you and your family in September for our 2022-2023 school year. This will be a very special time as we celebrate our 60th anniversary and embrace a milestone that encompasses both the strong educational foundations provided to previous generations, and our continued commitment to forge a stronger pathway forward as an educational community of dedicated learners and leaders.

This package includes some important information to prepare for the start of the school year, so please take the time to read through the content carefully. At this time, we anticipate a more accurate update from our Public Health officials regarding Health and Safety guidance that we will communicate again in August, prior to the start of school.

A valuable and recurring theme that continues to evolve is around the talent and strength of our dedicated faculty and staff at Bayview Glen. In addition, our three Division Leaders also continue to work diligently to ensure that programmes and a quality educational experience remains at the forefront throughout your child's year. I have no doubt that you and your family will be in good hands, and please feel free to reach out to them should you have any specific questions throughout the school year:

- Mr. Jesse Denison, Head of Lower School and Preschool (Age 2-Grade 5)
- Ms. Dina Astrella, Head of Prep School (Grades 6-8)
- Ms. Fiona Fenili, Head of Upper School (Grades 9-12)

I hope you enjoy the rest of the summer with your family, friends and loved ones. If you have any questions over the summer, please do not hesitate to contact Ms. Judy Maxwell in our Admissions Office at 416.443.1030, Ext. 605 or jmaxwell@bayviewglen.ca.

Sincerely,

James Lee
Head of School

General Information

Uniform

Students are asked to arrive on the first day of school in uniform. All students taking Physical Education or representing a school team must wear Bayview Glen athletic clothing when participating. All uniform items should be labelled with the student's name so that misplaced pieces may be returned to their owners. Kilt hems should be no shorter than 3" above the knee. Please see the Uniform Checklists at the end of this booklet for further information.

Immunization Records

Toronto Public Health reviews all student immunization records annually. It is important, therefore, that parents provide proof of up-to-date immunizations including each vaccine and the date given (year, month and day). If you have already submitted your child's immunization records, it is not necessary to submit them again. However, if you have never submitted an immunization record or if you have new information, please submit a photocopy to the Admissions Office who will forward it to Toronto Public Health.

Specific questions concerning up-to-date immunization records or exemptions due to medical reasons, or reasons of religion or conscience should be directed to the Immunization Hotline at 416.392.1250.

Class Parents and Grade Representatives

Class Parents (BG2 to Grade 5) and Grade Representatives (Grades 6 to 12) perform an important role within the school community and enjoy working closely with the teachers and parents. Ideally, two volunteers are chosen to represent each class in the Preschool and Lower School, and in each grade in the Prep School and Upper School. Responsibilities include sending communications from the school and Parent Association, being a resource for new parents, and organizing social events for parents (or families) in each grade or class. If you would like to volunteer as a Class Parent in the Preschool or Lower School, please let your child's Homeroom Teacher know. If you would like to be a Grade Representative in the Prep School or Upper School, please contact Jennifer Clarkin for Prep School at jclarkin@bayviewglen.ca or Debbie Rennicks for Upper School at drennicks@bayviewglen.ca. Please understand that, unfortunately, it is not always possible to assign positions to all those who offer to volunteer.

Bussing

You will be contacted via email before school starts with the approximate pick up and/or drop off times. Bussing is charged on a per seat basis with the daily cost of two-way bussing being \$27.50 and one-way bussing being \$18.75.

Students requiring temporary bussing are asked to make a written request at least one week in advance to ensure that bussing can be properly organized. Permission will be granted so long as your address falls within the existing bus routes. Written requests may be forwarded to Diane Weston at dweston@bayviewglen.ca.

Pick Up and Drop Off: Parent Bench

Please see individual School information with regard to Parent Bench updates.

- We ask that you, as parents, be cognizant of all students during these very busy times of the day. You should also be aware of the flow of traffic behind your vehicle and stop as far up the line as possible.
- It is imperative that drivers slow down when entering the vicinity of the school, and that they are highly aware of students as they step out of cars in the morning and walk towards them in the afternoon.
- Please ensure your car is in park with your handbrake on while you are in the Parent Bench line. However, should you need to vacate your car during Parent Bench, please ensure your car is turned off. Please note parents should only vacate their car to help with car seats for younger students. We ask all other parents to kindly remain in the vehicle.
- We have parents and guests who require designated accessible parking, and would appreciate if this was left clear for them.
- Please refrain from using our neighbours' driveways as they are justifiably concerned about us doing so.
- Please do not make left turns into or out of the pick up zone.
- Upper School students without siblings in other divisions should be dropped off and picked up at the Turf parking lot and enter and leave the school via their assigned doors.
- Please note that there is no student parking available on campus. Students who drive to school should make arrangements to park at one of the many pay lots near the school.

Afternoon Parent Bench times are as follows:

- **BG2 to Grade 2:** 2:45 p.m. - 3:30 p.m. (Orange Tag)
- **Grades 3 to 5:** 3:30 p.m. - 4:00 p.m. (Green Tag)
- **Grades 6 to 8:** 3:25 p.m. - 4:00 p.m. (Blue Card)

Mental Health and Wellness

Mental Health and Wellness for our students is an important element of Bayview Glen's Whole Child philosophy and will continue to be an important focus for us during the 2022-2023 school year.

The COVID-19 pandemic has brought many changes to the daily lives of our students and families and with this comes uncertainty, altered daily routines, social isolation and a whole myriad of thoughts and feelings.

To support our students as we transition to a regular school routine and throughout the upcoming school year, Bayview Glen will continue to offer various mental health and wellness support programmes. We have also hired a Director of Student Wellness to assist us and provide guidance and direction.

We will continue to provide professional mental health resources and support for the ongoing needs of staff and students in all divisions through qualified Mental Health experts. Further details about this support will be forthcoming.

Also, the Social-Emotional Learning (SEL) programme titled, 'Second Step' will continue to be implemented in the Lower and Prep Schools to help promote dialogue and support positive mental health. This JK to Grade 8 year-long programme will be facilitated by the Homeroom Teachers through weekly conversations and curriculum studies.

All of our faculty and staff were certified in Mental Health First Aid through the Mental Health Association of Canada in 2019 which has provided them with the tools to recognize the need for support.

Additional support, resources and information regarding mental health and wellness are available on the Bayview Glen website at bayviewglen.ca/covid-19/mental-health-and-self-care.

Food Services

All menus will be available online at bayviewglen.ca one week before they commence. New menus will be posted for September 6, 2022, January 9, 2023 and March 27, 2023. If you have any questions or concerns regarding allergies or dietary restrictions, please contact the school administration to register the requests, and we will forward them on to Aramark, our Food Services provider.

Prep School Breakfast Option

Breakfast items are available for purchase to Prep School students from 7:40 a.m. to 8:20 a.m. every morning. Students must eat all food in the Daunt Dining Hall and are asked to keep the area clean.

Upper School Retail Café

All Upper School students will have a Bayview Glen Student ID card. These cards are required for all food-related purchases during the school year, and may be loaded with the monetary amount of your choice, either by cash or credit card. Details about the cards and how to load money will follow at the beginning of the school year.

Gryphons Athletics

Welcome back! We are very proud of our Gryphons Athletics Programme, and we encourage your child to consider joining a team this year. Each student can participate on one team per term.

We welcome any students in Grades 3–12 to participate in Gryphons Athletics. The teams are grouped according to age and Grade, and we have many age groups for each sport. There are three sports seasons. The fall season runs from September to the end of October/beginning of November. The winter term runs from the end of October/beginning of November to the end of February/beginning of March. The spring term runs from the end of March to the end of May/beginning of June. It is compulsory for students in Grades 3 to 5 to participate in at least one team per year. It is highly recommended that students in Grades 6–12 participate in at least one sport per year. Registration for each sports season’s tryouts will take place online in the athletics section of the Bayview Glen website and will open approximately one month prior to the first tryouts. All registrations must be completed prior to the first tryout. For afternoon practices, the students will be picked up and taken directly to their practice location by their teachers/coaches. At the end of practice, parents are asked to pick up their children at the practice location. Students who are registered for Study Hall/Extended Day Programme will be taken directly to the programme after practices and games. Bus students will not be able to ride the bus on practice days, and parents should notify the transportation department/bus driver of these days in advance.

For morning practices, students should be dropped off directly at the practice site. Parents, please ensure that you have connected with your child’s coach before leaving your child at the site. Students should come to practice in their physical education clothes and appropriate footwear (cleats and shin pads for soccer (not needed for tryouts), indoor running shoes for basketball and volleyball), and Bayview Glen outer wear in case of inclement weather (i.e., phys-ed sweatshirts, track pants, track jackets). Only Bayview Glen athletic clothing, including outerwear, is to be worn during practices and games. In addition, all students who participate on a team must have the Bayview Glen Track Suit (available at the Shop). Students should pack their school uniform in their bags and will be given time to change before class. For afternoon practices, students should pack their athletic gear in a bag, and will be given time to change before the practice.

We look forward to a great year in Athletics!

Go Gryphons!

Sincerely,

The Athletics Department

Private Music Lessons

The Private Music Lessons Programme at Bayview Glen is provided as a convenient service to parents and students to allow for private music instruction during after-school hours.

The Private Music Lessons Programme is available to students in Grades 1 to 12 whose musical knowledge is at the beginner or advanced level. Each week, students enrolled will receive a private half-hour lesson on the instrument of their choice. All instructors are highly qualified musicians from the community and will each determine, through consultation with parents, the needs and goals for each child. Royal Conservatory of Music examination preparation is also an available option. This programme is based on the full year and does not run on a term-by-term basis. Please visit the website for the most current information at bayviewglen.ca/private-music-lessons.

Students may choose instruction in a wide selection of instruments:

Lower School: Piano, Voice, Guitar/Ukulele, Violin, Theory
Prep School and Upper School: Piano, Voice, Guitar/Ukulele, Woodwinds, Brass, Violin, Percussion, Theory

Students will be responsible for providing their own instruments and for the purchase of music books and sheet music that may be assigned by the instructor. It is also recommended that piano students have a piano or full-sized keyboard at home for practice. Students will be assigned a half-hour time outside of the regular school day.

Instructions
If your child is an existing student of the Lessons Programme, the following steps are required:

- Complete the online registration form and \$80 payment at bayviewglen.ca/private-music-lessons between Monday, August 22 and Wednesday, August 31 for priority scheduling.

Fees are \$37.50 per 30 minute lesson and this amount is payable directly to the instructor. A handbook of procedures, including missed lessons, holidays, etc., will be provided at the start of lessons. Lessons begin in mid-to-late September, once you are contacted by the assigned Private Instructor.

Message from the Director of Preschool

Dear Preschool Families,

As everyone's summer adventures begin to unwind and we ready ourselves for the upcoming school year, I am sure many are looking ahead with eagerness, excitement, and a little bit of those back-to-school jitters. It always feels like September is the beginning of something new, a fresh start or a continuation of something great, because that is truly what it is. Whether you are new to our Bayview Glen community beginning your journey in BG2, coming back to be a BG3 student or heading into your first year at our Prep School, there is always new and exciting opportunities waiting for you at Bayview Glen.

Speaking about new adventures, our Preschool programme often offers a first entry point into our wonderful social and educational community, where the pillars for lasting success for a strong future are supported and developed. First friendships are formed, educational risks are taken, and students are supported and nurtured in an environment which explores collaboration and autonomy. Over the summer months we have been collectively working to ensure that our 2022-2023 school year provides this engaging environment, bringing with it joy, growth, and many social and academic endeavours for our students to explore.

Within these pages you will find helpful information to set you on a path of success. Such as information about our Pick up and Drop off routines, Parent Bench, Hours of Operation, Holiday Programme and PD Days. Please familiarize yourself with this information and reach out if you have any questions at all. We look forward to welcoming all our new and returning BG students shortly and in the meantime, I hope that the next few weeks of summer allow you all the time to make lasting memories.

With care and kindness,

Gillian Potts-Hemingway

Two Professional Development Days are noted on our calendar: Friday, October 7 and Friday, May 19.

During these two days our faculty will embark on reflective practices and engage in ongoing professional learning that will help continue to serve our community by providing an excellent Preschool programme.

Sick Policy and Daily Screening for Symptoms of Illness

Our Pandemic Planning has changed throughout the course of the last two years; however, our goal is still to continue to ensure that the well-being of all our Bayview Glen community is upheld. This brings us to our Sick Policy outlined in our Preschool Parent Handbook. We ask that if your child/children may be unwell and cannot participate fully in our engaging and active Preschool programme that they remain at home. Our Sick Policy provides details on what to do if your child/children have a fever, communicable disease, gastrointestinal upset or a common cold.

Daily Screening for COVID-19 symptoms and required isolation is still currently mandatory from Toronto Public Health and the Minister of Health. We ask that you complete your Daily Screening using the Ontario COVID-19 School Screening Tool found here:

<https://covid-19.ontario.ca/school-screening>

If at any time there is a question about your child/children attending school, please reach out to discuss further with myself at any time.

As the landscape and efforts continue to change regarding our COVID-19 response plan, our Bayview Glen community will be notified.

Message from the Head of Lower School and Preschool

Dear Lower School Families,

Wherever this finds you, I hope you are well and that you and your family are enjoying the joys of summer. To our new families, welcome to the Lower School and I look forward to getting to know you as your children begin in September on campus.

All children and families will be welcomed into the school on Friday, September 2 for an optional orientation. Our first day of school will be on Tuesday, September 6. This will be a full day of school for all students and will be the start of a school year that incorporates all the best practices of a ‘Whole Child’ education which include outdoor learning, field trips, sports teams (Grades 3 to 5), and on-campus clubs.

Speaking of on-campus, we look forward to having all of our students take part in learning on the Lower School campus. We have retired online learning and it will not be an option this upcoming school year. If students cannot attend school due to illness or protocols, they will be able to access work via their classes Microsoft Teams OneNote notebook.

We are also going back to the pre-pandemic cohorting of playgrounds, use of the cafeteria and uniform practices. On gym days, students can wear their gym clothes, and on non-gym days they are expected to be in full dress even if they have a sports practice or a game. Students who have a sports practise or a game will be given time to change in the school and should pack their necessary Bayview Glen athletic clothing. Please look at the section of this mailing dedicated to uniforms for any questions you may have about the proper attire.

Although we are reintroducing many pre-pandemic practices, COVID-19 is not going away, and as we continue to adapt, we will remain a mask-friendly school and all students are welcome to wear masks on campus. We also continue to work and follow the Ontario Government and Toronto Public Health Guidelines when it comes to COVID-19. As we come closer to the school year, the screening guidelines that the school will use in September will be shared.

I am excited to help Bayview Glen continue to deliver an academic programme that is second to none. In doing so, we continue to ensure our educators are the most qualified. To help facilitate continuous professional learning, the school is introducing two professional learning days within the school year on top of our August and June offerings. The Friday before Thanksgiving in October and the Friday before the Victoria Day Weekend in May will now be dedicated to staff professional development. As such, the school will be closed on those days and there will be no holiday programme as all educators will be dedicating that time to ensuring excellence in education.

In the sections on the following page, you will find other pertinent information for the start of the school year. Until we see each other in September, I hope you have a great rest of the summer and know that the Lower School staff are dedicated to providing a safe and nurturing environment for your children to grow and excel in the upcoming school year.

With care and anticipation,

Jesse Denison
Head of Lower School and Preschool

At the end of the week prior to classes commencing, Homeroom Teachers will be in touch with parents to introduce themselves via Edsby message. Outdoor Education Trip
Wednesday, May 10 to
Friday, May 12

Message from the Head of Prep School

Dear Prep School Families,

Welcome back to all returning students and families, and welcome to everyone who is new to us in the Prep School. I hope this mailing finds you happy and healthy, and that your summer has been filled with memorable moments with family and friends.

We look forward to seeing all our students on campus in September as we return to a full-year, non-semestered schedule. This includes experiential learning, such as our Outdoor Education and Leadership Trip in May, Gryphons Athletics, and in-person clubs and committees.

Please note that our online learning model has been retired. Should students not be able to attend classes on campus, they can access work via Edsby and OneNote. In accordance with current Public Health standards, we ask that families continue to screen for illness carefully each day and keep students at home until symptoms are resolved. Please also remember that the campus remains a mask-friendly environment.

Our first day of school is Tuesday, September 6. This is a full day for all students, and we will begin in Homerooms. At the end of the week prior to classes commencing, Homeroom Teachers will be in touch with parents to introduce themselves and review pertinent information. Please ensure that the Admissions Department has your most up-to-date contact information and that you are logged in to Edsby so that this correspondence can occur.

Students will be returning to wearing the uniform as it was prior to the pandemic. We see wearing the school uniform as a reflection of school pride and expect our students to commit to this throughout the school year. Please ensure that your child has all the required uniform pieces prior to arriving in September. Also, specifically note, that all students are to wear black, polishable dress shoes with a flat heel. Please do not purchase black running shoes. Students may wear the summer uniform on their first day of school and every day until the Thanksgiving Day Weekend except for Fridays, our Assembly Day, and for any other times they have been asked to be in full dress. Quarter zippered and full-zippered grey Gryphons wear can still be used with the HPE uniform. Students will be changing in and out of HPE uniform again.

You will find our calendar enclosed in this mailing. Kindly take the time to review important dates, such as the upcoming Curriculum Nights. It is our great pleasure to have our parents back in the school.

I echo the sentiment of the faculty when I say that we are anticipating the arrival of our incoming Grade 6 students and all new students with great enthusiasm. We also expect this to be a year of tremendous growth for our Grade 7s who are joining us on the top floor and our Grade 8s who will be leading the student body as the Graduating Class of 2023.

Enjoy the rest of your summer and see you in September!

At the end of the week prior to classes commencing, Homeroom Teachers will be in touch with parents to introduce themselves and review pertinent information. Please ensure that the Admissions Department has your most up-to-date contact information and that you are logged in to Edsby so that this correspondence can occur.

Message from the Head of Upper School

Dear Upper School Families,

It's hard to believe we are gearing up for a new school year already! I hope that no matter where your summer plans took you, you had time to rest, connect with friends and family, and enjoyed time doing the things you love to do.

We have been busy planning over the summer for a school year filled with memorable events and rewarding learning. We look forward to all being back on campus together this fall. Please note that online learning has been retired. If a student is not on campus, they will not be able to join classes virtually but can access missed work through Edsby and OneNote. Our schedule will follow a full-year model – allowing us to plan rich interdisciplinary opportunities and enabling our students to return to experiential learning with Outdoor Education and Adventure trips.

Our first day of school is Tuesday, September 6, and this will be a full day for students. As we relax many protocols introduced through the pandemic, students will return to wearing the uniform as it was prior to the pandemic. The uniform is an important symbol of school pride and wearing it properly each day is something we expect students to commit to throughout the year. Please ensure your child has all required uniform pieces, and specifically that they have black polishable shoes. Students will be changing into and out of HPE uniform on days that they have Physical Education.

Please be sure to take time to acquaint yourself with the information on the following page and do not hesitate to reach out to me if you have any questions.

Whether you are returning to the Upper School, or newly joining us, we can't wait to welcome you in a few short weeks! Enjoy the last moments of summer, and we will see you very soon.

Sincerely,

Fiona Fenili
Head of Upper School

Orientation for New Students

All incoming Upper School students who are new to Bayview Glen are invited to attend an Orientation session, to include an introduction to school, student leaders, the Microsoft Surface and our online tools on the afternoon of Thursday, September 1. Families will be sent an email providing additional details.

First Week of School -

Tuesday, September 6 (Day 1)

Our first day of school is Tuesday, September 6 and is a full school day. Look out for details about the specific schedule later in the summer.

Curriculum Nights

Curriculum Nights are an opportunity for students and parents to learn more about our academic year and programme. You will get to meet teachers and discuss what your child will learn in their various courses, and hear about community involvement requirements, assessment and evaluation practices, and daily procedures. Please keep an eye out for additional details.

Before Classes Start

Community Service Hours

Students entering their Grade 12 year need 40 hours of community service to earn their OSSD and a total of 50 to earn the Bayview Glen Diploma. All students in Grades 9, 10, and 11 will need a total of 60 hours to earn the Bayview Glen Diploma going forward. All students are encouraged to seek out options for community service that can be safely performed either remotely or in-person while observing the prevailing public health guidelines.

Any community service hours that have been accumulated over the course of the summer should be submitted to Ms. Sukaina Fatima in the Student Services office. Forms should be scanned and sent electronically to studentservices@bayviewglen.ca.

Course Changes

Any requests for course changes should be submitted electronically at the link provided in your course verification email.

Priority for course changes will be given to those students who have been informed of conflicts in their timetables. Please note that, as in all years, we cannot guarantee that all changes will be possible and students are expected to follow the timetables provided until their requested changes are confirmed.

Students who have taken a compulsory or prerequisite course in summer school will be required to provide a copy of the report card before a course change can be processed.

For questions regarding course changes, timetable, or diploma requirements, please contact Ms. Sukaina Fatima, Student Services Advisor, at studentservices@bayviewglen.ca or 416.386.6630.

Daily Routine

We are thrilled to return to a year-long schedule this year. Students will take up to eight courses. School days will contain four classes, and will repeat every other day. All students will learn on campus. Students will receive their timetables from their mentor on the first day of school along with their locker and agenda.

The daily schedule will be as follows:

	Day 1	Day 2
8:30 a.m.-9:50 a.m.	Block 1	Block 5
9:50 a.m.-10:20 a.m.	Mentor	Mentor
10:20 a.m.-11:40 a.m.	Block 2	Block 6
11:40 a.m.-12:20 p.m.	Lunch	Lunch
12:20 p.m.-1:40 p.m.	Block 3	Block 7
1:40 p.m.-1:50 p.m.	Break	Break
1:50 p.m.-3:10 p.m.	Block 4	Block 8

Extra help and co-curricular activities will take place from 3:10 p.m. to 4:30 p.m. All students not under the direct supervision of a teacher are asked to leave the school by 4:30 p.m.

Commitment to Screening

As we move back fully on campus, it still remains important that each student screens themselves each morning to ensure they are not sick when coming to school. If students feel even slightly ill, they should stay home. In the event that a child becomes ill during the day, parents will be called to pick up their child.

Mask wearing will continue to be optional and we will remain a mask-friendly environment.

Please use Edsby to inform the school of planned absences or late arrivals.

Co-Curricular Activities

Upper School students may choose to participate in a wide range of clubs, committees, and arts groups throughout the year. More information about co-curricular activities for the coming academic year will be available in September.

Arrival and Departure

- Students are encouraged not to arrive at school before 8:00 a.m. unless participating in an organized co-curricular activity or prior arrangements have been made to meet with a teacher. Students who must arrive before 8:00 a.m. will be asked to go to the Daunt Dining Hall.
- Students in Grades 9-11 will enter and leave the Upper School via the double doors at the top of the steel staircase to the south of the Moatfield Campus.
- Students in Grade 12 will enter and leave the Upper School via the door closest to the Turf Parking lot that leads directly to the Grade 12 Common Area.
- Students coming late to school should go directly to reception to sign in and receive a late slip. They should then proceed straight to class.

Dress

- When in person at the school, students are expected to be in proper daily uniform, including polishable black shoes with black soles.
- First dress should be worn for the full day on all assembly days and designated special occasions. On other days throughout the month of September, students may wear either the Bayview Glen golf shirt or white shirt or blouse.
- As the weather turns colder, students may wear the Bayview Glen navy pullover or cardigan, or their Grad or SEC sweatshirt, if applicable.
- The Health and Physical Education department will provide guidelines on athletic uniform wear for those students participating in physical education activity classes.

BAYVIEW GLEN'S Parent Association

The Parent Association at Bayview Glen would like to extend a warm welcome to all new and returning families.

Association also oversees The Shop that supplies uniform items and school supplies for all our children in the Lower, Prep and Upper Schools; and the Textbook Programme, which allows parents to source all the required textbooks for students in Grades 7 to 12.

The Parent Association (PA) is a volunteer organization that acts as a liaison between the parents and the school. With the strength of our parent network, its mission is to enhance the school's spirit, act as a parent resource, facilitate communications, and raise funds for the benefit of our children's lives at Bayview Glen. The Parent

All parents are members of the Parent Association, and there are many ways in which you can participate and get involved at Bayview Glen. We are extremely excited to be returning to in-school activities this year and look forward to seeing everyone at one of our in-person events listed in this mailing.

We are always looking for parents to join us to organize events, be a part of our Parent Association Executive and volunteer at events. If you are interested in volunteering, please reach out to pavolunteer@bayviewglen.ca.
