

Grad Class Gift 2022

Thank you to the Class of 2022, who collectively raised a remarkable \$32,336 as a leaving gift to Bayview Glen with 37% family participation.

The Bayview Glen Class of 2022 chose to designate their legacy gift to support the back deck refurbishment at Moatfield Campus, which focus on reimagining the back deck and reflects the defining ethos of their grade through its focus on social gathering, connectivity, and well-being. They believe that the back deck, as a facility, can represent a legacy that we, as a graduating class, can be proud of. Through the class support, they hope to develop the back deck into a place that can be used throughout the year, and by a larger proportion of our community.

A special acknowledgement to the Grad Class 2022 Committee Co-Chairs and Parent Reps Kate Hammond and Volker Lauterbach, as well as Student Reps Jacqueline Fung and Sunil Wijeyesundera (SEC Co-Heads), Ishaan Goswami and Avery Yoo (Grade 12 Grad Reps) for their support and involvement.

We sincerely appreciate those parents and students for their contributions to this important initiative and look forward to unveiling the transformed Moatfield Campus back deck in their honour.
