

Grad Class Gift 2024

Thank you to the Class of 2024, who collectively raised a remarkable total of \$13,150 as a leaving gift to Bayview Glen with 21% family participation.

The Bayview Glen Class of 2024 has decided that their legacy gift will create an Outdoor Education space for the Upper School community to encourage learning beyond our indoor classrooms.

This outdoor education space will be a place where science comes alive through environmental studies, where creativity flourishes during art classes, where mindfulness and well-being are nurtured through outdoor studying or discussions, and where members of our Bayview Glen community can gather for various events fostering lasting relationships and learning beyond the classroom walls.

A special acknowledgement to the Student Reps Vanessa Glowczewski and David Perry (SEC Co-Heads), and Santhiya Kuhan and Zachary Javed (Grade 12 Grad Class Reps) for their support and involvement.

We sincerely appreciate those parents and students for their contributions to this important initiative.
